Take me to a spot where the tranquil and the untamed meet. Where mountains cut into the sky and the wild magnitude of it all quiets my fragmented brain. Where the perfect walking stick becomes medicinal and the crisp mountain air is a wonder drug.

SOFIA CHELSEA

39.5765°N 106.0938°W

A lightweight EVA midsole and aggressive traction underfoot ensures you'll be steady and comfortable on the most demanding terrain.

LOCATION

Frisco, Colorado

PURPOSE

Explore the therapeutic relationship between connection and utter isolation.
