Any shareholder delivering the form of proxy has the power to revoke it at any time prior to the time of the annual meeting by filing with the Secretary of the Company an instrument of revocation or a duly executed proxy bearing a later date or by attending the meeting and electing to vote in person by giving notice of such election to the Secretary of the Company. Attendance at the meeting will not in itself constitute revocation of a proxy. Proxies properly signed and returned will be voted as specified thereon. The Proxy Statement and the proxy are being mailed to shareholders on approximately April 5, 2013.

The Company has outstanding only one class of common stock entitled to vote at the meeting — common stock with one vote per share. As of March 18, 2013, the record date for determination of the common shareholders entitled to notice of and to vote at the meeting or any adjournment thereof, there were 10,804,781 outstanding shares of common stock.

ITEMS TO BE VOTED ON

Proposal One: Election of Directors

At the annual meeting, two directors will be elected for terms expiring in 2016. The Corporate Governance and Compensation Committee has recommended, and the Board of Directors has nominated, the following nominees for election: Tina Chang and Thomas W. Florsheim, both of whom are current directors of the Company.

A majority of the votes entitled to be cast by outstanding shares of common stock, represented in person or by proxy, will constitute a quorum at the annual meeting.

Directors are elected by a plurality of the votes cast by the holders of the Company's common stock at a meeting at which a quorum is present. "Plurality" means that the individuals who receive the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. Consequently, any shares not voted (whether by abstention, broker nonvote or otherwise) have no impact in the election of directors except to the extent the failure to vote for an individual results in another individual receiving a comparatively larger number of votes. Votes "against" a candidate are not given legal effect and are not counted as votes cast in an election of directors. Votes will be tabulated by an inspector at the meeting.

If any of the nominees should decline or be unable to act as a director, which eventuality is not foreseen, the proxies will be voted with discretionary authority by the persons named to vote in the proxy for a substitute nominee designated by the Board of Directors.

Thomas W. Florsheim, Jr. and John W. Florsheim are brothers, and their father is Thomas W. Florsheim. There are no other family relationships between any of the Company's directors and executive officers.

The Board recommends that you vote "FOR" the election of Tina Chang and Thomas W. Florsheim.

Information regarding the nominees and the directors whose terms continue, including the particular skills, qualifications and other attributes that the Company believes qualify each of its nominees and continuing directors to serve on the Board, is set forth below. If the appointment is not ratified, the adverse vote will be considered as an indication to the Audit Committee that it should consider selecting another independent registered public accounting firm for the following year. Even if the selection is ratified, the Audit Committee, in its discretion, may select a new independent registered public accounting firm at any time during the year if it believes that such a change would be in the Company's best interest.

The Board recommends that you vote "FOR" the ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the year ending December 31, 2013.

BOARD INFORMATION

Composition of the Board of Directors

The Board of Directors currently has seven members. The Bylaws of the Company provide that there shall be seven directors, divided into three staggered classes. Directors are elected to three-year terms. The number of directors may be increased or decreased from time to time by amending the applicable provision of the Bylaws, but no decrease shall have the effect of shortening the term of an incumbent director.

Meetings

The Board of Directors held four meetings during 2012. All members of the Board of Directors attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings held by all committees of the Board on which they served. The Company's policy is that its directors should attend the annual meeting of shareholders. All Board members attended the annual meeting of the Company's shareholders held on May 2, 2012. In accordance with the NASDAQ rules, the Company's independent directors have periodic meetings at which only independent directors are present.

Director Independence

Each year the Board reviews the relationships that each director has with the Company. Only those directors who the Board affirmatively determines have no relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, and who do not have any of the categorical relationships that preclude a determination of independence under the NASDAQ listing standards, are considered to be independent directors.

In accordance with the applicable NASDAQ rules, the Board has determined that the following directors qualify as independent directors: Tina Chang, Robert Feitler, Cory L. Nettles, and Frederick P. Stratton, Jr. The Board concluded that none of these directors possessed the categorical relationships set forth in the NASDAQ standards that preclude a determination of independence, and that none of them have any other relationship that the Board believes would interfere with the exercise of their independent judgment in carrying out the responsibilities of a director. The Audit Committee and the Corporate Governance and Compensation Committee are comprised solely of directors who have been determined to be independent. Because of their relationships with the Company, Messrs. Thomas W. Florsheim, Thomas W. Florsheim, Jr. and John Florsheim are not independent directors.

Board Leadership Structure and Role in Risk Oversight

The Company combines the positions of Chairman of the Board of Directors and Chief Executive Officer. The Company's management and Board of Directors currently believe that the Chief Executive Officer's direct involvement in the day-to-day operations of the Company makes him best positioned to lead Board discussions of the Company's short-term and long-term objectives and helps ensure proper oversight of the Company's risks. Additionally, the Company's Board structure provides oversight by its independent directors. The independent directors meet periodically without any members of management present. In addition, each of the Board's standing committees is chaired by an independent director and both the Audit Committee and the Corporate Governance and Compensation Committee are comprised solely of directors who are independent. The Board has not appointed an independent lead director, however, the Chairman of each of the above mentioned committees typically leads the non-management sessions of that particular committee.

The Company's Board of Directors plays a role in the oversight of risks that could potentially affect the Company. The Board's Audit Committee fulfills the formal responsibility of financial risk management as disclosed in its charter, which is available on the Company's website. The Audit Committee meets periodically with management to review the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. The Corporate Governance and Compensation Committee is responsible for the evaluation of risk as it relates to compensation.

Shareholder Communications with the Board

Shareholders wishing to communicate with the Board of Directors or with a particular Board member should address communications to the Board or to a particular Board member, c/o Secretary, Weyco Group, Inc., 333 West Estabrook Boulevard, Glendale, Wisconsin 53212. All communications addressed to the Board or to a

particular director or committee will be relayed to that addressee. From time to time, the Board may change the process through which shareholders communicate with the Board. Please refer to the Company's website at www.weycogroup.com for changes in this process.

Nomination of Director Candidates

The principal functions of the Corporate Governance and Compensation Committee are: (1) to assist the Board by identifying individuals qualified to become members of the Board and its Committees, and to recommend to the Board the director nominees for the next annual meeting of shareholders; (2) to recommend to the Board the corporate governance guidelines applicable to the Company, including changes to those guidelines as appropriate from time to time; (3) to lead the Board in its periodic reviews of the Board's performance; (4) to establish, subject to approval of the full Board, compensation arrangements for the Company's executive officers; (5) to administer the Company's equity incentive and other compensation plans, and approve the granting of equity awards to officers and other key employees of the Company and its subsidiaries; and (6) to communicate to shareholders regarding these policies and activities as required by the SEC and other regulatory bodies. The Corporate Governance and Compensation Committee Charter and the Guidelines and Criteria for Nomination of Director Candidates are available on the Company's website.

In carrying out its responsibilities regarding director nominations, the Corporate Governance and Compensation Committee has established the following Guidelines and Criteria for Nomination of Director Candidates:

- The Committee will review each candidate's qualifications in light of the needs of the Board and the Company, considering the current mix of director attributes and other pertinent factors (specific qualities, skills and professional experience required will vary depending on the Company's specific needs at any point in time).
- The Committee will consider the diversity of the existing Board, so that the Board maintains a body of directors from diverse professional and personal backgrounds.
- There will be no differences in the manner in which the Committee evaluates candidates recommended by shareholders and candidates identified from other sources.
- Any nominee should be an individual of the highest character and integrity and have an inquiring mind, vision and the ability to work well with others.
- Any nominee should be free of any conflict of interest which would violate any applicable law or regulation or interfere with the proper performance of the responsibilities of a director.
- Any nominee should possess substantial and significant experience which would be of value to Weyco Group in the performance of the duties of a director.
- Any nominee should have sufficient time available to devote to the affairs of Weyco Group in order to carry out the responsibilities of a director.
- To recommend a candidate, shareholders should write to the Corporate Governance and Compensation Committee, Weyco Group, Inc., 333 W. Estabrook Boulevard, Glendale, WI 53212, via certified mail. The written recommendation should include the candidate's name and address, a brief biographical description and statement of qualifications of the candidate and the candidate's signed consent to be named in the Proxy Statement and to serve as a director if elected.
- To be considered by the Committee for nomination and inclusion in the Company's Proxy Statement, the Committee must receive shareholder recommendations for directors no later than December 2nd of the year prior to the Annual Meeting of Shareholders.

From time to time, the Board may change the process through which shareholders may recommend director candidates to the Corporate Governance and Compensation Committee. The Company has not received any shareholder recommendations for director candidates with regard to the election of directors covered by this Proxy Statement or otherwise.

Director Compensation

Directors of the Company who are not also employees of the Company or subsidiaries receive a quarterly cash retainer of \$3,625. Non-employee directors are also eligible to receive equity awards. In 2012, each non-employee director received 1,000 shares of restricted stock and options to purchase 1,500 shares of common stock under the 2011 Incentive Plan. Each of these awards vest ratably over four years. The following table shows director compensation for the non-employee directors for 2012.

- (2) This amount represents the grant date fair value (which was calculated to be \$3.68 per option) of the stock option awards granted on December 1, 2012, computed in accordance with ASC 718 as calculated under the Black-Scholes option pricing model as described in Note 18 to the Consolidated Financial Statements in the Company’s 2012 Annual Report on Form 10-K.

On December 28, 2000, Chairman Emeritus of the Board, Thomas W. Florsheim, entered into a consulting agreement with the Company under which he agreed to act as advisor to the Company in connection with the Company’s acquisition and sale of products and materials. In accordance with this agreement, Thomas W. Florsheim was paid \$14,400 in 2012.

Committees

The Board of Directors has three standing committees: an executive committee (the “Executive Committee”), a corporate governance and compensation committee (the “Corporate Governance and Compensation Committee”) and an audit committee (the “Audit Committee”).

Executive Committee

The Executive Committee is empowered to exercise the authority of the Board of Directors in the management of the business and affairs of the Company between meetings of the Board, except for declaring dividends, filling vacancies in the Board of Directors or committees thereof, amending the Articles of Incorporation, adopting, amending or repealing Bylaws and certain other matters as provided in the Bylaws. Robert Feitler is the Chairman of the Executive Committee and Tina Chang, Thomas W. Florsheim, Cory L. Nettles and Frederick P. Stratton, Jr. are members. No meetings of the Executive Committee were held in 2012.

Corporate Governance and Compensation Committee

The Company is committed to conducting its business with the highest standards of business ethics and in accordance with all applicable laws, rules and regulations, including the rules of the SEC and of the NASDAQ on which its common stock is traded. In addition to the NASDAQ rules and applicable governmental laws and regulations, the framework for the Company’s corporate governance is provided by: (a) the Company’s Articles of Incorporation and Bylaws; (b) the charters of its board committees; and (c) the Company’s Code of Business Ethics.

The Corporate Governance and Compensation Committee is responsible for various matters related to corporate and board governance including, among others, director nominations. See “Nomination of Director Candidates” above for additional information regarding the committee’s responsibilities.

The Corporate Governance and Compensation Committee also establishes compensation arrangements for senior management and administers the granting of stock-based awards to officers and other key employees of the Company and its subsidiaries. The Board of Directors has determined that each of the members of the Corporate Governance and Compensation Committee (Robert Feitler, Tina Chang, Cory L. Nettles and Frederick P. Stratton, Jr.) is “independent,” as defined in the current listing standards of the NASDAQ and the SEC rules relating to such committees. Two meetings of the Corporate Governance and Compensation Committee were held in 2012. The charter of the Corporate Governance and Compensation Committee is available on the Company’s website.

Corporate Governance and Compensation Committee Interlocks and Insider Participation

None of the members of the Board of Directors who served on the Corporate Governance and Compensation Committee during 2012 was an officer or employee of the Company. No executive officer serves, or in the past has served, as a member of the board of directors or compensation committee (or other board committee performing equivalent functions) of any other entity that has any of its executive officers serving as a member of the Company’s Board of Directors or Corporate Governance and Compensation Committee.

Code of Business Ethics

The Company’s Code of Business Ethics sets forth ethical obligations for all employees, officers and directors, including those that apply specifically to directors and executive officers, such as accounting and financial reporting matters. Any waiver of the Code of Business Ethics requires approval of the Board of Directors or of a committee of the Board. The Company’s Code of Business Ethics is available on the Company’s website. If any substantive amendment is made to the Code, the nature of the amendment will be disclosed on the Company’s website or in a current report on Form 8-K. In addition, if a waiver from the Code is granted to an executive officer or director, the nature of the waiver will be disclosed in a current report on Form 8-K.

Audit Committee

The Audit Committee of the Board of Directors is responsible for providing independent oversight of the Company’s financial statements and the financial reporting process, the systems of internal accounting and financial controls, and the annual independent audit of the Company’s financial statements. The Board of Directors adopted and approved a formal written charter for the Audit Committee in 2000 and amended that charter in March 2004. A copy of the charter of the Audit Committee is available on the Company’s website. The Board of Directors has determined that each of the members of the Audit Committee (Frederick P. Stratton, Jr., Tina Chang, Robert Feitler, and Cory L. Nettles) is “independent,” as defined in the current listing standards of the NASDAQ and the SEC rules relating to audit committees. This means that, except in their roles as members of the Board of Directors and its committees, they are not “affiliates” of the Company, they receive no consulting, advisory or other compensatory fees directly or indirectly from the Company, they have no other relationships with the Company that may interfere with the exercise of their independence from management and the Company, and they have not participated in the preparation of the financial statements of the Company or any of its current subsidiaries at any time during the past three years. In addition, the Board of Directors has determined that each Audit Committee member satisfies the financial literacy requirements of NASDAQ and that Robert Feitler and Frederick P. Stratton, Jr. qualify as “audit committee financial experts” within the meaning of applicable rules of the SEC.

Management has primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the Company’s audited financial statements with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Committee also discussed and reviewed with the independent registered public accounting firm all communications required under generally accepted auditing standards and the standards of the Public Company Accounting Oversight Board (“PCAOB”), including the matters required to be discussed with the Committee by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the PCAOB in Rule 3200T.

In addition, the Committee discussed with the independent registered public accounting firm their independence from management and the Company and considered the compatibility of non-audit services with the independent registered public accounting firm’s independence.

The Committee discussed with the Company's independent registered public accounting firm the overall scope and plan for their audit. The Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held four meetings during 2012.

Pre-Approval Policy

Consistent with the rules of the SEC regarding the independent registered public accounting firm's independence, the Audit Committee has responsibility for appointing, setting compensation for and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the following provision is included in the Audit Committee's charter: "The Audit Committee shall... approve in advance the audit and permitted non-audit services to be provided by, and the fees to be paid to, the independent auditor, subject to the de minimus exceptions to pre-approval permitted by the rules of the SEC and NASDAQ for non-audit services." No fees were paid to the independent registered public accounting firm pursuant to the "de minimus" exception to the foregoing pre-approval policy.

Report of Audit Committee

In connection with its function to oversee and monitor the financial reporting process of the Company, the Audit Committee has done the following (among other things):

- reviewed and discussed the audited financial statements for the year ended December 31, 2012 with the Company's management and Deloitte & Touche LLP, the Company's independent registered public accounting firm;
- discussed with Deloitte & Touche LLP those matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the PCAOB in Rule 3200T; and
- received the written disclosure and the letter from Deloitte & Touche LLP pursuant to applicable requirements of the PCAOB regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with Deloitte & Touche LLP its independence from the Company.

Based on the foregoing, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2012.

Audit and Non-Audit Fees

The Audit Committee also reviewed the fees and scope of services provided to the Company by Deloitte & Touche LLP, independent registered public accounting firm, for the years ended December 31, 2012 and December 31, 2011. Fees billed to the Company by Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu and their respective affiliates (collectively, "Deloitte Entities") for the years ended December 31, 2012 and 2011 are reflected in the following table.

	<u>2012</u>	<u>2011</u>
Audit Fees ^(a)	\$347,927	\$305,940
Tax Fees ^(b)	26,477	26,400
All Other Fees	<u>—</u>	<u>—</u>
Total	<u>\$374,404</u>	<u>\$332,340</u>

- (a) Audit fees consisted of fees for professional services for the audit of the Company's financial statements, review of financial statements included in the Company's Form 10-Q filings and services that are normally provided in connection with statutory or regulatory filings or engagements. These fees also include the audit of the Company's internal controls in accordance with Section 404 of the Sarbanes Oxley Act of 2002.
- (b) Tax fees consisted of fees for professional services performed with respect to tax compliance, tax advice and tax planning.

There were no other fees billed by Deloitte Entities for services rendered to the Company, other than the services described above in 2012 and 2011.

**COMPENSATION DISCUSSION AND ANALYSIS AND
EXECUTIVE COMPENSATION**

Report of Corporate Governance and Compensation Committee on Executive Compensation

In connection with its function to assist the Board of Directors in fulfilling its responsibilities to assure that the executive officers of the Company are compensated in a manner consistent with the compensation strategy of the Company, internal equity considerations, competitive practice, and the requirements of applicable tax and regulatory bodies, the Corporate Governance and Compensation Committee has (among other things) reviewed and discussed the Compensation Discussion and Analysis with the Company's management. Based on that review and discussion, the Corporate Governance and Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be incorporated by reference in the Company's Annual Report on Form 10-K and included in this Proxy Statement.

Compensation Discussion and Analysis

The Corporate Governance and Compensation Committee (the "Committee") establishes compensation arrangements for senior management and administers the granting of stock-based awards to officers and other key employees of the Company. The Committee is composed entirely of independent, non-employee members of the Board of Directors and has the authority to utilize consultants and advisors as it may deem appropriate. The Company provides appropriate funding, as determined by the Committee, for the payment of compensation to the compensation consultant(s) employed by the Committee. The Committee reports to the Board of Directors on its actions and recommendations and periodically meets in executive session without members of management or management directors present.

The expertise and knowledge of each executive officer is important to the success of the Company. Although the substantial stock ownership by the Florsheim family gives them additional incentives to help the Company succeed, the Company believes that a fair and competitive executive compensation program is essential to attract and retain other key executives and is in the Company's long-term best interests. A key objective of the Company's executive compensation program is to provide a fair and competitive compensation package to each of its executive officers without encouraging unnecessary risk-taking. Historically, the Company's finance department has provided a comparative analysis of executive officer compensation to assist the Committee in making its executive compensation decisions. The analysis compares the Company's compensation practices both to other shoe companies and to other Wisconsin area companies of similar size. Outside consultants have been used sparingly or not at all. In addition, the Committee considers the results of advisory "say-on-pay" shareholder votes when making compensation decisions. At the 2011 annual meeting, when the first advisory "say-on-pay" vote was held, the Company's shareholders voted to approve, by a significant margin, the compensation of the Company's executive officers. The Company currently holds an advisory "say on pay" vote every three years.

The primary elements of the Company's compensation program are: (1) an annual base salary; (2) an annual performance-based cash bonus; (3) discretionary long-term stock-based awards, subject to time-based vesting requirements; and (4) pension benefits. The combination of these compensation elements is designed to provide executives competitive compensation that maintains a balance between cash and stock compensation tied to the performance of the Company and long-term shareholder value. To reinforce the importance of balancing long-term and short-term perspectives, the Company's executives are provided with both (1) annual incentives, of which a portion is at-risk based on achievement of the Company's annual financial goals and objectives and (2) time-based long-term incentives which are intended to align the interests of executives with the interests of shareholders and encourage officer retention.

Base salaries are set at levels that are competitive with similar positions at other comparable companies and historically have increased modestly year-over-year. Larger increases or decreases in an executive's annual base salary would be considered if functional responsibilities changed substantially.

The annual cash bonus is principally designed to reward the achievement of Company-wide financial goals established by the Committee, as well as the individual performance of each executive officer throughout the year. The Company has historically set financial goals based on the results achieved in the prior year. For the years 2012, 2011 and 2010, the potential for an annual cash bonus for Mr. Thomas Florsheim, Jr., Mr. John Florsheim and Mr. Wittkowske was based solely on the achievement of Company-wide financial goals set by the Committee. Specifically, for 2012, a bonus was to be paid only upon the Company achieving an increase in net earnings over net earnings in 2011. A maximum bonus equal to 45%, 45% and 40% of the annual base salary for Mr. Thomas Florsheim Jr., Mr. John Florsheim and Mr. Wittkowske, respectively, would have been paid had net earnings increased 10% over net earnings in 2011. The bonus was to be pro-rated for increases in net earnings between 0% and 10%. See the table titled “Grants of Plan-Based Awards For 2012” for the estimated possible payouts for the non-equity incentive plan awards for 2012. The Company’s net earnings in 2012 (excluding the income generated from the 2012 adjustments to reduce the estimated liability for future payments owed in relation to the 2011 Bogs acquisition) increased 10.8% over the prior year’s net earnings and, accordingly, Mr. Thomas Florsheim, Jr., Mr. John Florsheim and Mr. Wittkowske earned 100% of their maximum bonuses in 2012. The Company’s net earnings in 2011 increased 11.6% over the prior year’s net earnings, and accordingly, Mr. Thomas Florsheim, Jr., Mr. John Florsheim and Mr. Wittkowske earned 100% of their maximum bonuses in 2011. The Company’s net earnings in 2010 increased 6.6% over the prior year’s net earnings and, accordingly, Mr. Thomas Florsheim, Jr., Mr. John Florsheim and Mr. Wittkowske earned 66% of their maximum bonuses in 2010. See the table titled “Summary Compensation Table” below for the non-equity incentive plan compensation payouts in 2012, 2011 and 2010.

The Committee believes that long-term stock-based awards provide performance incentives that encourage long-term growth in value for public shareholders. Accordingly, discretionary long-term stock-based awards are also an integral part of the Company’s executive compensation program (see “Long-Term Incentive Plan Award Policy” below).

The Company has no formal policy for allocating executive compensation between cash and non-cash or between annual and long-term compensation. Historically, the long-term component of the Company’s executive compensation has been non-cash and has been approximately 20-40% of total compensation; and the Company expects that approximate level to continue going forward.

Long-Term Incentive Plan Award Policy

The Company believes that participation in a long-term incentive program encourages a perspective of ownership by providing an equity stake in the Company. The Company also believes that participation in a long-term incentive program should increase with higher levels of responsibility, as individuals in leadership roles have the greatest influence on the Company’s strategic direction and results over time. The Company grants restricted stock and/or stock option awards annually each year on or about December 1.

Beginning in 2011, equity awards are granted under the Weyco Group, Inc. 2011 Incentive Plan (the “2011 Incentive Plan”). On December 1, 2012, stock options were awarded to the Company’s named executive officers. On the same date, a combination of stock options and shares of restricted stock were awarded to non-executive officers and stock options were awarded to other key employees. Under the 2011 Incentive Plan, stock options and restricted stock awards are valued at fair market value based on the Company’s closing stock price on the date of grant and vest ratably over four years beginning on the first anniversary of the grant date. Stock options granted in 2012 expire six years from the grant date.

Through 2010, equity awards had been granted under the Weyco Group, Inc. 2005 Equity Incentive Plan (the “2005 Plan”). Under the 2005 Plan, stock options vest ratably over four years beginning on the first anniversary of the grant date. Stock options granted under the 2005 Plan expire five years from the grant date.

Company “insiders,” as defined by the Company, are restricted from selling their shares during four black-out periods surrounding each quarter end.

Risk Management and Compensation

The Company has designed its compensation programs for executive officers and all other employees to not encourage or promote excessive risk-taking. Additionally, the Company’s compensation packages for senior management, executive officers and other key employees include long-term compensation awards which aim

to reward performance over the longer term. Therefore, the Company believes that the risks, if any, arising from its compensation policies are not reasonably likely to have a material adverse effect on the Company.

Summary Compensation Table

The following table sets forth total compensation of the Chief Executive Officer, the Chief Operating Officer, and the Chief Financial Officer for the years ended December 31, 2012, 2011 and 2010. The Company had only three executive officers in 2012.

Option Exercises and Stock Vested in 2012

The following table provides information related to stock options exercised by and restricted stock vested to the named executive officers during 2012. The Company first granted shares of restricted stock on December 1, 2006. The Company's executive officers were not granted any restricted stock in 2009 through 2012. The shares of restricted stock vested ratably over four years and, accordingly, the amount vested in 2012 represents 25% of the shares granted in 2008. As of December 31, 2012, the executive officers had no unvested stock awards.

Name	Option Awards		Stock Awards	
	Number of Shares Acquired Upon Exercise (#)	Value Realized Upon Exercise (\$) ⁽¹⁾	Number of Shares Acquired Upon Vesting (#)	Value Realized Upon Vesting (\$) ⁽²⁾

John F. Wittkowske	37,500	\$415,500	700	\$16,412

Notes:

- (1) The value realized on exercise is calculated based on the difference between the option exercise price and the market value of the Company's stock on the date of exercise multiplied by the number of shares exercised.
- (2) The value realized upon vesting is calculated based on the number of shares of restricted stock multiplied by the market value of the Company's stock on the vesting date.

Pension Benefits

The Company maintains a defined benefit pension plan for various employees of the Company, including salaried employees. The Company also maintains an unfunded supplemental pension plan for key executives so they may receive pension benefits which they would otherwise be prevented from receiving as a result of certain limitations of the Internal Revenue Code. Retirement benefits are provided based on employees' years of credited service and average earnings or stated amounts for years of service. The plans provide for normal retirement at age 65 and provide for reduced benefits for early retirement beginning at age 55. Pension benefits are payable under a variety of options, to be selected by the retiree and are calculated under a formula which is integrated with Social Security, although the amounts determined under the formula are not reduced by Social Security benefits. The normal retirement benefit is based on (i) the highest average earnings for any 5 consecutive years during the 10 calendar years ending with the year of retirement, (ii) length of service up to 25 years and (iii) the highest average covered compensation for Social Security purposes. Prior to October 1, 2012, earnings covered by the plan were generally defined as wages for purposes of federal income tax withholding and therefore included the value realized upon the exercise of non-qualified stock options and other minor items in addition to those included in the above Summary Compensation Table as "Salary." Effective October 1, 2012, the plan was amended so as to define earnings to include only salary and cash bonus.

The foregoing describes the general formula under the defined benefit plan and related excess benefits plan as revised in 1997. Those salaried employees who were covered in the plans on January 1, 1989 and all officers (including the named executive officers) who are Senior Vice Presidents or above are provided with the higher of the benefits described above or a minimum benefit based on a prior formula through the defined benefit plan, the unfunded excess benefits plan described above and an unfunded deferred compensation plan. The normal retirement benefit under the prior formula is based on the highest average earnings for any 5 consecutive years during the 10 calendar years preceding retirement and length of service up to 25 years. The normal retirement benefit for officers (including the named executive officers) who are Senior Vice Presidents or above is based on the highest average earnings for any 5 years during the 20 calendar years preceding retirement and length of service up to 25 years. Minimum benefit amounts are not subject to any deduction for Social Security benefits. Under the excess benefits plan, upon a change in control, a lump sum benefit payment shall be made to each participant.

Effective October 1, 2012, the Company amended its defined benefit pension plan to redefine earnings subject to benefits under the plan. Effective October 1, 2012, the Company amended its deferred compensation and excess benefit plans to set a maximum benefit payable under the plans and eliminate the enhanced early retirement benefit that was previously provided to executive officers. These changes reduced the collective present values of accumulated benefits for each of the named executive under the plans.

The following table provides information related to pension benefits earned by each of the named executive officers based on their number of years of credited service as of December 31, 2012.

Name	Plan Name	Number of Years Credited Service (#) ⁽¹⁾	Present Value of Accumulated Benefit (\$) ⁽²⁾	Payments During Last Fiscal Year (\$)
Thomas W. Florsheim, Jr.	Qualified Pension Plan	25	\$ 698,156	\$0
	Deferred Compensation Plan		\$ 128,531	\$0
	Excess Benefits Plan		\$3,232,503	\$0
John W. Florsheim	Qualified Pension Plan	19	\$ 422,672	\$0
	Deferred Compensation Plan		\$ 83,830	\$0
	Excess Benefits Plan		\$1,876,526	\$0
John F. Wittkowske	Qualified Pension Plan	19	\$ 503,649	\$0
	Deferred Compensation Plan		\$ 92,722	\$0
	Excess Benefits Plan		\$2,137,673	\$0

Notes:

- (1) The number of years of credited service is computed as of the same pension plan measurement date used for financial statement reporting purposes with respect to the Company's audited financial statements as of December 31, 2012. For Mr. Thomas W. Florsheim, Jr. actual years of service are 32. However, under the plans, benefits are based on a length of service up to 25 years.
- (2) The actuarial present value of each named executive officer's accumulated benefit under the plans is computed as of the same pension plan measurement date used for financial statement reporting purposes with respect to the Company's audited financial statements as of December 31, 2012.

Employment Contracts and Potential Payments Upon Termination or Change of Control

The Company has entered into employment contracts with Thomas W. Florsheim, Jr. and John W. Florsheim whereby, for services to be rendered, their employment will be continued until December 31, 2013, at salary levels to be determined and reviewed periodically. These contracts provide, among other things, that a lump sum amount equal to slightly less than three times his base amount compensation (as defined in Section 280G of the Internal Revenue Code) will be paid to Thomas W. Florsheim, Jr. and John W. Florsheim, respectively, as severance pay, in the event the Company terminates his employment without cause or he terminates his employment following a change of control of the Company. A "change of control" is defined in the employment agreements as: a change in control of more than 15% of the shares of the Company; the replacement of two or more directors by persons not nominated by the Board of Directors; any enlargement of the size of the Board of Directors if the change was not supported by the existing Board of Directors; a merger, consolidation or transfer of assets of the Company; or a substantial change in his responsibilities. In the event Thomas W. Florsheim, Jr. or John W. Florsheim is prevented from performing his duties by reason of permanent disability, his normal salary will be discontinued and a disability salary of 75% of his then current salary will be paid until December 31, 2013.

Also, in the event Thomas W. Florsheim, Jr. or John W. Florsheim dies prior to the termination of his employment under the contract, a death benefit equal to his salary at the annual rate being paid to him at the date of death will be paid to a designated beneficiary for a three-year period. As of March 6, 2013, the annual salary of Thomas W. Florsheim, Jr. is \$579,500 and John W. Florsheim's annual salary is \$554,000.

The Company has a change of control agreement with John Wittkowske. This contract provides that a lump sum equal to slightly less than three times his annual compensation (as defined in Section 280G of the Internal Revenue Code), calculated with respect to the three taxable year period ending before the date the change of control occurs, will be paid as severance pay in the event of a change of control. The change of control agreements define a “change of control” as an event in which:

- (1) more than 30% of the voting power of the outstanding stock of the Company is directly or indirectly controlled by a person or group of persons (other than a group consisting of the members of the family of Thomas W. Florsheim and their descendents or trusts);
- (2) all or substantially all of the operating assets of the Company have been sold; or
- (3) a majority of the Company’s Board of Directors is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of the Company’s Board of Directors before the date of the appointment or election.

As of March 6, 2013, Mr. Wittkowske’s annual salary is \$350,000.

The Company’s written Code of Business Ethics provides that, except with the prior knowledge and consent of the Company, directors and employees are not permitted to have a financial interest in a supplier, competitor or customer of the Company because of the potential conflicts of interest raised by such transactions. There is a limited exception for ownership of securities of a publicly traded corporation unless the investments are of a size as to have influence or control over the corporation. The Company’s policies include no minimum size for this restriction on potential conflict of interest transactions. Actual or potential conflict of interest transactions or relationships are to be reported to the Company’s Chief Financial Officer or another officer of the Company. Waivers or exceptions for executive officers or directors may be granted only in advance and under exceptional circumstances and only by the Board of Directors or an appropriate committee.

Method of Proxy Solicitation

The cost of solicitation of proxies will be borne by the Company. The officers of the Company may solicit proxies from some of the larger shareholders, which solicitation may be made by mail, telephone, or personal contacts; these officers will not receive additional compensation for soliciting such proxies. Request will also be made of brokerage houses and other custodians, nominees and fiduciaries to forward, at the expense of the Company, soliciting material to the beneficial owners of shares held of record by such persons.

Section 16(a) Beneficial Ownership Reporting Compliance

Under the federal securities laws, the Company’s directors, executive officers and any person holding more than 10% of the Company’s common stock are required to report their initial ownership of the Company’s common stock and any change in that ownership to the SEC. Specific due dates for these reports have been established, and the Company is required to disclose in this Proxy Statement any failure to file such reports by these dates during the last year.

The Company believes that all of these filing requirements were satisfied on a timely basis for the year ended December 31, 2012. In making these disclosures, the Company has relied solely on written representations of its directors and executive officers and copies of the reports they have filed with the SEC.

Other Matters

The Company has not been informed and is not aware that any other matters will be brought before the meeting. However, proxies will be voted with discretionary authority with respect to any other matters that properly may be presented to the meeting.

In addition, a proposal submitted outside of Rule 14a-8 will be considered untimely, and the Company may use discretionary voting authority for any proposal that may be raised at next year's annual meeting unless the proponent notifies us of the proposal not later than February 20, 2014.
