**ITEMS TO BE VOTED ON**

**Proposal One: Election of Directors**

Our Board of Directors (“Board”) currently has seven members. Our Nominating and Corporate Governance Committee has recommended, and our Board has approved, the following nominees for reelection: Tina Chang, John W. Florsheim, Thomas W. Florsheim, Thomas W. Florsheim, Jr., Becky Kryger, Cory L. Nettles, and Frederick P. Stratton, Jr.

A majority of the votes entitled to be cast by holders of outstanding shares of our common stock, represented in person or by proxy, will constitute a quorum at the Annual Meeting. Abstentions and broker nonvotes are counted as present for purposes of determining whether there is a quorum. Directors are elected by a plurality of the votes cast by the holders of our common stock at a meeting at which a quorum is present. “Plurality” means that the individuals who receive the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. Consequently, any shares not voted (whether by withholding a vote, broker nonvote or otherwise) have no impact in the election of directors. Votes will be tabulated by an inspector at the meeting.

If any of the nominees should decline or be unable to act as a director, which is not expected, the proxies will be voted with discretionary authority by the persons named to vote in the proxy for a substitute nominee designated by our Board.

Thomas W. Florsheim, Jr. and John W. Florsheim are brothers, and their father is Thomas W. Florsheim. There are no other family relationships between any of our directors.

**Our Board recommends that you vote “FOR” the election of  
Tina Chang, John W. Florsheim, Thomas W. Florsheim, Thomas W. Florsheim, Jr.,  
Becky Kryger, Cory L. Nettles, and Frederick P. Stratton, Jr.**

Information regarding the nominees, including the particular skills, qualifications and other attributes that we believe qualify each to serve on our Board, is set forth below as well as in “Board Information — Composition of the Board of Directors.” For additional information regarding the criteria to evaluate Board membership, see “Board Information — Nomination of Director Candidates” below.

**Proposal Two: Ratification of the Appointment of our Independent Registered Public Accounting Firm for the Year Ending December 31, 2026**

Our Audit Committee appointed Deloitte & Touche LLP (“Deloitte”) as our independent registered public accounting firm for the year ending December 31, 2026. In making its decision to reappoint Deloitte for 2026, our Audit Committee considered the qualifications, performance and independence of Deloitte and the audit engagement team, as well as the fees charged for services provided.

Deloitte first audited our financial statements for the year ending December 31, 2025. Prior to that, Baker Tilly US, LLP served as our independent registered public accounting firm through the year ended December 31, 2024.

We ask that you ratify the appointment of Deloitte as our independent registered public accounting firm for the year ending December 31, 2026. Representatives of Deloitte are expected to be present at the Annual Meeting with the opportunity to make a statement if they so desire and to be available to respond to appropriate questions.

Although not required by law to submit the appointment to a vote by shareholders, our Audit Committee and Board believe it is appropriate, as a matter of policy, to request that the shareholders ratify the appointment of our independent registered public accounting firm for 2026.

If the appointment is not ratified, the adverse vote will be considered as an indication to our Audit Committee that it should consider selecting another independent registered public accounting firm for the following year. Even if the selection is ratified, our Audit Committee, in its discretion, may select a new independent registered public accounting firm at any time during the year if it believes that such a change would be in the Company’s best interest.

The ratification of Deloitte as our independent registered public accounting firm for the year ending December 31, 2026, will be approved if a majority of the votes cast on the proposal are voted in favor of the proposal, assuming a quorum is present. Abstentions and broker non-votes will not affect the outcome of this proposal.

**Our Board recommends that you vote “FOR” the ratification of the appointment of  
Deloitte & Touche LLP as our independent registered public accounting firm  
for the year ending December 31, 2026.**

**Proposal Three: Advisory Vote on the Compensation of our Named Executive Officers**

As previously disclosed, commencing with the 2025 annual meeting of shareholders, our Board determined we would hold an advisory vote on executive compensation (“say-on-pay”) every year. In accordance with that determination, we are again submitting an advisory say-on-pay proposal to shareholders at this year’s annual meeting. Our Board intends to continue holding the say-on-pay vote on an annual basis unless or until they determine that a different frequency is in the best interests of the Company and its shareholders or a change is otherwise required by applicable law.

As required by Section 14A of the Securities Exchange Act of 1934, we seek your advisory vote on the compensation of our named executive officers. The compensation is to be approved pursuant to the following resolution: “RESOLVED, that the compensation paid to the named executive officers of Weyco Group, Inc., as disclosed pursuant to Item 402 of Regulation S-K, is hereby approved.” We disclose that information under the heading “Executive Compensation” herein. Because your vote is advisory, it will not be binding on the Board or the Company. However, the Board and the Compensation Committee value the opinions of our shareholders and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

Our executive compensation program is designed to provide a fair and competitive compensation package to each of our executive officers without encouraging unnecessary risk-taking. At the core of our executive compensation program is a balance between short-term and longer-term compensation opportunities to ensure that we meet short-term objectives while continuing to produce value for our shareholders over the long-term. Our named executive officer compensation program is designed to be conservative while also serving the objectives of attracting, motivating and retaining key executives.

[Table of Contents](#)

“Total maximum compensation” consists of an executive’s annual base salary, the maximum annual performance-based cash bonus, and the long-term stock-based awards. Approximately 30-50% of the “total maximum compensation” for our named executive officers is at-risk. The maximum annual performance-based cash bonus is based solely on the achievement of financial goals set by the Compensation Committee, and the long-term stock-based awards, subject to time-based vesting requirements, are tied to the long-term performance of our stock. We believe the long-term awards ensure that a significant portion of the executive’s compensation is aligned with the interests of shareholders and encourages officer retention.

We believe the compensation of our named executive officers is appropriately tied to the achievement of our business goals and the success of our shareholders. If the value to our shareholders declines, so does the compensation to our named executive officers.

**Our Board recommends that you vote “FOR” the approval of the compensation of our named executive officers.**

This non-binding advisory vote approving the compensation of our named executive officers will be approved if a majority of the votes cast on the proposal are voted in favor of the proposal, assuming a quorum is present. Abstentions and broker nonvotes will not affect the outcome of this proposal.

**BOARD INFORMATION**

**Meetings**

Our Board held four meetings during 2025. All members of our Board attended at least 75% of the aggregate of the number of meetings of the Board and each committee of the Board on which they served, with the exception of Becky Kryger, who was appointed to the Board on July 31, 2025. Ms. Kryger attended all Board meetings and all committee meetings on which she serves, following her appointment. Our policy is that all directors should attend the Annual Meeting of Shareholders. All Board members who were serving at the time attended the Annual Meeting held on May 6, 2025. In accordance with Nasdaq rules, our independent directors have periodic meetings at which only independent directors are present.

**Director Independence**

Each year, our Board reviews the relationships that each director has with the Company. Only those directors who the Board affirmatively determines have no relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, and who do not have any of the categorical relationships that preclude a determination of independence under the Nasdaq listing standards, are considered to be independent directors.

In accordance with the applicable Nasdaq rules, the Board has determined that the following directors qualify as independent directors: Tina Chang, Becky Kryger, Cory L. Nettles, and Frederick P. Stratton, Jr. Our Board concluded that none of these directors possessed the categorical relationships set forth in the Nasdaq standards that preclude a determination of independence, and that none of them has any other relationship that the Board believes would interfere

with the exercise of their independent judgment in carrying out the responsibilities of a director. The Nominating and Corporate Governance Committee, Compensation Committee, and Audit Committee are comprised solely of directors who have been determined to be independent.

#### **Board Leadership Structure and Role in Risk Oversight**

We combine the positions of Chairman of the Board and Chief Executive Officer. Our management and Board currently believe that the Chief Executive Officer's direct involvement in the day-to-day operations of the Company makes him best positioned to lead Board discussions of our short-term and long-term objectives and helps ensure proper oversight of the Company's risks. Additionally, our Board structure provides oversight by our independent directors. As noted above, the independent directors meet periodically without any members of management present. In addition, each of the Board's standing committees is chaired by an independent director and is comprised solely of directors who are independent. The Board has not appointed an independent lead director.

Our Board plays a role in the oversight of risks that could potentially affect the Company, including risks related to cybersecurity and data security. The Board's Audit Committee fulfills the formal responsibility of financial risk oversight as disclosed in its charter, which is available on our website. The Audit Committee meets periodically with management to review our major financial risk exposures and the steps management has taken to monitor and control such exposures. The Nominating and Corporate Governance Committee is responsible for the evaluation of risk as it relates to corporate governance, and the Compensation Committee is responsible for the evaluation of risks related compensation matters.

#### **Shareholder Communications with the Board**

Shareholders wishing to communicate with the Board or with a particular Board member should address communications to the Board or to a particular Board member, c/o Secretary, Weyco Group, Inc., 333 West Estabrook Boulevard, Glendale, Wisconsin 53212. All communications addressed to the Board or to a particular director or committee will be relayed to that addressee. From time to time, the Board may change the process through which shareholders communicate with the Board. #### **Nomination of Director Candidates**

The Nominating and Corporate Governance Committee has established the following Guidelines and Criteria for Nomination of Director Candidates:

- The Committee will review each candidate's qualifications in light of the needs of the Board and the Company, considering the current mix of director attributes and other pertinent factors (specific qualities, skills and professional experience required will vary depending on the Company's specific needs at any point in time).
- The Committee will consider the diversity of the existing Board, so that the Board maintains a body of directors from diverse professional and personal backgrounds.
- There will be no differences in the manner in which the Committee evaluates candidates recommended by shareholders and candidates identified from other sources.
- Any nominee should be an individual of the highest character and integrity and have an inquiring mind, vision and the ability to work well with others.
- Any nominee should be free of any conflict of interest which would violate any applicable law or regulation or interfere with the proper performance of the responsibilities of a director.
- Any nominee should possess substantial and significant experience which would be of value to the Company in the performance of the duties of a director.

## [Table of Contents](#)

- Any nominee should have sufficient time available to devote to the affairs of the Company in order to carry out the responsibilities of a director.

To recommend a candidate, shareholders should write to the Nominating and Corporate Governance Committee, Weyco Group, Inc., 333 West Estabrook Boulevard, Glendale, Wisconsin 53212, via certified mail. The written recommendation should include the candidate's name and address, a brief biographical description and statement of qualifications of the candidate and the candidate's signed consent to be named in the Proxy Statement and to serve as a director if elected. To be considered by the Committee for nomination and inclusion in our Proxy Statement for the 2027 Annual Meeting, the Committee must receive shareholder recommendations for directors no later than December 2, 2026.

From time to time, the Board may change the process through which shareholders may recommend director candidates to the Nominating and Corporate Governance Committee. The Company has not received any shareholder recommendations for director candidates with regard to the election of directors covered by this Proxy Statement or otherwise.

### **Committees**

Our Board has three standing committees: the Nominating and Corporate Governance Committee, the Compensation Committee, and the Audit Committee. The composition and responsibilities of each of the committees of the Board are described below. Members serve on these committees until their resignation or until otherwise determined by the Board.

#### *Nominating and Corporate Governance Committee*

We are committed to conducting our business with the highest standards of business ethics and in accordance with all applicable laws, rules and regulations, including the rules of the SEC and Nasdaq on which our common stock is traded. In addition to Nasdaq rules and applicable governmental laws and regulations, the framework for our corporate governance is provided by: (a) our Articles of Incorporation and Bylaws; (b) the charters of our board committees; and (c) our Code of Business Ethics.

Our Nominating and Corporate Governance Committee is responsible for various matters related to corporate and board governance. The principal functions of the Nominating and Corporate Governance Committee are: (1) to assist the Board by identifying individuals qualified to become members of the Board and its Committees, and to recommend to the Board the director nominees for the next Annual Meeting of Shareholders; (2) to recommend to the Board the corporate governance guidelines applicable to the Company, including changes to those guidelines as appropriate from time to time; (3) to lead the Board in its periodic reviews of the Board's performance; and (4) to communicate to shareholders regarding these policies and activities as required by the SEC and other regulatory bodies. The Nominating and Corporate Governance Committee Charter and the Guidelines and Criteria for Nomination of Director Candidates are available on our website at weycogroup.com.

Our Nominating and Corporate Governance Committee also reviews the procedures, the effectiveness and the performance of the Board as a whole, the individual directors and the Board committees, as well as its own performance. Our Board determined that each of the current members of the Nominating and Corporate Governance Committee (Tina Chang, Becky Kryger, Cory L. Nettles and Frederick P. Stratton, Jr.) is independent, as defined in the current listing standards of Nasdaq and the SEC rules relating to such committees. There were four meetings of the Nominating and Corporate Governance Committee in 2025.

#### *Code of Business Ethics*

Our Code of Business Ethics sets forth ethical obligations for all employees, officers and directors, including those that apply specifically to directors and executive officers, such as accounting and financial reporting matters. Any waiver of the Code of Business Ethics requires approval of the Board or of a committee of the Board. Our Code of Business Ethics is available on our website at weycogroup.com. If any substantive amendment is made to the Code, the nature of the amendment will be disclosed on our website or in a current report on Form 8-K. In addition, if a waiver from the Code is granted to an executive officer or director, the nature of the waiver will be disclosed in a current report on Form 8-K.

Compensation Committee

Our Compensation Committee is responsible for matters involving compensation of the Company's non-employee directors and executive officers. The principal functions of the Compensation Committee are: (1) to establish, subject to approval of the full Board, compensation arrangements for our executive officers; (2) to administer our equity incentive and other compensation plans, and approve the granting of equity awards to our officers and other key employees; and (3) to communicate to shareholders regarding these policies and activities as required by the SEC and other regulatory bodies.

Our Compensation Committee also establishes compensation arrangements for senior management and administers the granting of stock-based awards to our officers and other key employees. Generally, our CEO makes recommendations as to the amount or form of compensation for senior management, including any salary adjustments, cash incentive awards or equity-based awards, which are then evaluated and determined by the Compensation Committee. The charter of the Compensation Committee is available on our website at weycogroup.com. Our Board has determined that each of the current members of the Compensation Committee (Tina Chang, Becky Kryger, Cory L. Nettles and Frederick P. Stratton, Jr.) is independent, as defined in the current listing standards of Nasdaq and the SEC rules relating to such committees. There were four meetings of the Compensation Committee held in 2025.

Audit Committee

Our Audit Committee of our Board is responsible for providing independent oversight of our financial statements, internal controls, and the financial reporting process, as well as the annual independent audit of our financial statements. A copy of the charter of our Audit Committee is available on our website at weycogroup.com. Our Board has determined that each of the current members of the Audit Committee (Frederick P. Stratton, Jr., Tina Chang, Becky Kryger, and Cory L. Nettles) is independent, as defined in the current listing standards of Nasdaq and SEC rules relating to audit committees. This means that, except in their roles as members of our Board and its committees, they are not affiliates of our Company, they receive no consulting, advisory or other compensatory fees directly or indirectly from our Company, they have no other relationships with our Company that may interfere with the exercise of their independence from management and our Company, and they have not participated in the preparation of the financial statements of our Company or any of our current subsidiaries at any time during the past three years. In addition, our Board has determined that each Audit Committee member satisfies the financial literacy requirements of Nasdaq and that Frederick P. Stratton, Jr. qualifies as a "audit committee financial expert" within the meaning of applicable rules of the SEC.

Management has primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed our audited financial statements with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Committee also discussed and reviewed with the independent registered public accounting firm all communications required under generally accepted auditing standards and the standards of the Public Company Accounting Oversight Board ("PCAOB"), and SEC rules. In addition, the independent registered public accounting firm provided to the Audit Committee the written disclosures required by PCAOB rules concerning independence. The Committee discussed with the independent registered public accounting firm their independence from management and the Company and considered the compatibility of non-audit services with the independent registered public accounting firm's independence.

The Committee discussed with our independent registered public accounting firm the overall scope and plan for their audit. The Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examination, their evaluation of our internal controls, and the overall quality of our financial reporting. There were four meetings of the Audit Committee in 2025.

Pre-Approval Policy

The Audit Committee has responsibility for recommending appointment of, setting compensation for, and overseeing the work of the independent registered public accounting firm. The Audit Committee must approve in advance the audit and permitted non-audit services to be provided by, and the fees to be paid to, the independent auditor, subject to the de

de minimis exceptions to pre-approval permitted by the rules of the SEC and Nasdaq for non-audit services. No fees were paid during 2025 to the independent registered public accounting firm pursuant to the de minimis exception to the foregoing pre-approval policy.

*Report of Audit Committee*

In connection with its function to oversee and monitor the financial reporting process of the Company, the Audit Committee has done the following (among other things):

- reviewed and discussed with management our audited financial statements as of and for the fiscal year ended December 31, 2025;
- discussed with Deloitte, our independent registered public accounting firm for the year ended December 31, 2025, the matters required to be discussed by the PCAOB and SEC;
- received and reviewed the written disclosures and the letter from Deloitte required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and have discussed with them their independence; and
- concluded that Deloitte's provision of audit services to the Company is compatible with their independence.

Based on the foregoing, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2025.

*Audit and Non-Audit Fees*

The Audit Committee also reviewed the fees and scope of services provided to the Company by Deloitte, independent registered public accounting firm for the year ended December 31, 2025 and Baker Tilly, independent registered public accounting firm for the year ended December 31, 2024. Fees billed to us by Deloitte and Baker Tilly for the years ended December 31, 2025 and 2024, respectively, are reflected in the following table.

All Other Fees <sup>(d)</sup>	1,895	—
<b>Total</b>	<b>\$ 500,321</b>	<b>\$ 524,700</b>

(a) Audit fees consisted of fees for professional services for the audit of our financial statements, review of financial statements included in our Form 10-Q filings and services that are normally provided in connection with statutory or regulatory filings or engagements. These fees also included the audit of our internal controls in accordance with Section 404 of the Sarbanes Oxley Act of 2002.

(b) Audit-related fees consisted of fees for ERISA employee benefit plan audits.

**Insider Trading Policy and Other Governance Matters**

We maintain an Insider Trading Policy governing the purchase, sale, and other dispositions of our securities by directors, officers, employees, and consultants of our Company (collectively, “covered persons”), which we believe is reasonably designed to promote compliance with insider trading laws, rules and regulations, and the Nasdaq listing standards applicable to our Company. Among other things, our Insider Trading Policy (a) prohibits covered persons from trading our securities while in possession of material non-public information, and (b) specifies our quarterly blackout periods. A copy of our Insider Trading Policy was filed as Exhibit 19 to our Annual Report on Form 10-K for the year ended December 31, 2024.

We have not adopted a formal anti-hedging policy and do not prohibit directors, officers, and employees from entering hedging transactions that are designed to reduce or eliminate the investment risk associated with owning our securities. However, we strongly discourage directors, officers and employees from engaging in such transactions, and, to our knowledge, no hedging transactions involving our securities have been entered into by these individuals.

**Director Compensation**

Our directors who are not also employees receive a quarterly cash retainer. The quarterly cash retainer was \$11,000 in 2025. Non-employee directors are also eligible to receive equity awards. In 2025, non-employee directors each received 1,890 shares of restricted stock under the Weyco Group, Inc. 2024 Incentive Plan. Beginning in 2025, restricted stock awards granted to non-employee directors are subject to a one-year vesting period. The following table shows director compensation for the non-employee directors for 2025.

Florsheim, entered into a consulting agreement with the Company under which he agreed to act as advisor to the Company in connection with our acquisition and sale of products and materials. See Note 18 of the Notes to the Consolidated Financial Statements in our 2025 Annual Report on Form 10-K. This restricted stock vests ratably over five years.

See Note 19 of the Notes to the Consolidated Financial Statements in our 2024 Annual Report on Form 10-K. This restricted stock vests ratably over four years.
- (3) These amounts reflect annual cash bonuses related to the achievement of Company-wide financial goals in 2025 and 2024 and were paid after each respective fiscal year end (December 31). A more detailed description of these bonuses is provided under “Non-Equity Incentive Plan Compensation” below.
- (4) All other compensation relates to the use of an automobile, life insurance premiums and 401(k) match contributions.
- (5) All other compensation relates to life insurance premiums and 401(k) match contributions.

Non-Equity Incentive Plan Compensation

Non-equity incentive plan compensation represents annual cash bonuses awarded pursuant to our 2024 Incentive Plan. Annual cash bonuses are based solely upon the achievement of Company-wide financial goals, established by the Compensation Committee. Bonuses are based on a set percentage of the executive’s salary, with a maximum bonus of 67.5% of salary for Thomas W. Florsheim, Jr. and John W. Florsheim, and 45.0% of salary for Kevin S. Schiff. For Thomas W. Florsheim, Jr. and John W. Florsheim, the 2025 annual cash bonus was based on specified earnings targets set by the Compensation Committee. Since 2025 net earnings did not reach specified earnings targets, Thomas W. Florsheim, Jr. and John W. Florsheim did not receive a cash bonus for fiscal 2025. For Kevin S. Schiff, the 2025 annual cash bonus was based on specified gross margin targets for the Florsheim division. The Florsheim division achieved these earnings targets for 2025, driven by record sales. Consequently, Kevin S. Schiff received a maximum cash bonus equal to 45.0% of his base salary. For 2024, Thomas W. Florsheim, Jr. and John W. Florsheim each received a maximum cash bonus equal to 67.5% of their base salaries, and Kevin S. Schiff received a maximum cash bonus equal to 45% of his base salary.

- (2) Restricted stock awards granted from 2022 through 2023 vest ratably over four years beginning on the first anniversary of the grant date. Restricted stock awards granted in 2024 and 2025 vest ratably over five years beginning on the first anniversary of the grant date.
- (3) Amounts are calculated using the market value of our common stock on December 31, 2025, of \$30.59.

Awards granted from 2018 through 2023 were granted under our 2017 Incentive Plan. Awards granted in 2024 and 2025 were granted under the 2024 Incentive Plan. We no longer grant awards under the 2017 Incentive Plan.

**Pension Benefits**

We have a defined benefit pension plan which was frozen effective December 31, 2016. No benefits have been accrued under the plan subsequent to that date. We also have an unfunded supplemental pension plan for key executives so they may receive pension benefits which they would otherwise be prevented from receiving as a result of certain limitations of the Internal Revenue Code. Normal retirement benefits generally equal 1.6% of an employee's average annual compensation multiplied by number of years of credited service, up to a maximum of 25 years. The plans provide for normal retirement at age 65 and provide for reduced benefits for early retirement beginning at age 55. Pension benefits are payable under a variety of options, to be selected by the retiree and are calculated under a formula that is integrated with

## [Table of Contents](#)

Social Security, although the amounts determined under the formula are not reduced by Social Security benefits. Benefits under the supplemental plan are payable either in the form of an annuity or as a single lump-sum payment following the retiree's termination of service. The normal retirement benefit is 1.6% of average compensation per year and is based on (i) the highest average earnings for any 5 consecutive years during the 10 calendar years ending December 31, 2016, (ii) length of service up to 25 years and (iii) the highest average covered compensation for Social Security purposes.

The foregoing describes the general formula under the defined benefit plan and related excess benefits plan as revised in 1997. Those salaried employees who were covered in the plans on January 1, 1989, and all officers (including the NEOs) who are Senior Vice Presidents or above are provided with the higher of the benefits described above or a minimum benefit based on a prior formula through the defined benefit plan, the unfunded excess benefits plan described above and an unfunded deferred compensation plan. The normal retirement benefit under the prior formula is based on the highest average earnings for any five consecutive years during the 10 calendar years preceding December 31, 2016 and length of service up to 25 years. The normal retirement benefit for officers (including the NEOs) who are Senior Vice Presidents or above is based on the highest average earnings for any five years during the 20 calendar years preceding December 31, 2016 and length of service up to 25 years. Minimum benefit amounts are not subject to any deduction for Social Security benefits. Under the excess benefits plan, upon a change in control, a lump sum benefit payment shall be made to each participant.

### **Employment Contracts and Potential Payments Upon Termination or Change of Control**

We have employment contracts with Thomas W. Florsheim, Jr. and John W. Florsheim whereby, for services to be rendered, their employment will continue until December 31, 2028, at salary levels to be determined and reviewed periodically. These contracts provide, among other things, that a lump sum amount equal to slightly less than three times the base amount compensation (as defined in Section 280G of the Internal Revenue Code) will be paid to Thomas W. Florsheim, Jr. and John W. Florsheim, respectively, as severance pay, in the event the Company terminates the executive's employment without cause or the individual terminates his employment following a change of control of the Company. A "change of control" is defined in the employment agreements as: a change in control of more than 15% of the shares of the Company; the replacement of two or more directors by persons not nominated by the Board; any enlargement of the size of the Board if the change was not supported by the existing Board; a merger, consolidation or transfer of assets of the Company; or a substantial change in his responsibilities. In the event Thomas W. Florsheim, Jr. or John W. Florsheim is prevented from performing his duties by reason of permanent disability, the executive's normal salary will be discontinued and a disability salary of 75% of the individual's then-current salary will be paid until December 31, 2028.

Also, in the event Thomas W. Florsheim, Jr. or John W. Florsheim dies prior to the termination of his employment under the contract, a death benefit equal to his salary at the annual rate being paid to the executive at the date of death will be paid to a designated beneficiary for a three-year period. As of March 31, 2026, the annual salary of Thomas W. Florsheim, Jr. is \$807,300 and John W. Florsheim's annual salary is \$771,000.

In accordance with the terms of the 2017 Incentive Plan and 2024 Incentive Plan, if a change of control should occur, all options and stock awards granted by the Company shall immediately vest.

- (2) The dollar amounts reported in column (c) represent the amount of “compensation actually paid” to Thomas W. Florsheim, Jr. as computed in accordance with Item 402(v) of Regulation S-K. The dollar amounts do not reflect the actual amount of compensation earned by or paid to him during the applicable year. In accordance with the requirements of Item 402(v) of Regulation S-K, the following adjustments were made to his total compensation for each year to determine the compensation actually paid:

Year	Reported Summary Compensation Table Total for PEO	Reported Value of Equity Awards <sup>(a)</sup>	Equity Award Adjustments <sup>(b)</sup>	Compensation Actually Paid to PEO
2025	920,173	(92,974)	(41,167)	786,032
2024	1,425,667	(91,823)	218,323	1,552,167
2023	1,382,943	(85,095)	315,263	1,613,111

- (a) The grant date fair value of equity awards represents the total of the amounts reported in the “Stock Awards” and “Option Awards” columns in the Summary Compensation Table for the applicable year.
- (b) The equity award adjustments for each applicable year include the addition (or subtraction, as applicable) of the following: (i) the year-end fair value of any equity awards granted in the applicable year that are outstanding and unvested as of the end of the year; (ii) the amount of change as of the end of the applicable year (from the end of the prior fiscal year) in fair value of any awards granted in prior years that are outstanding and unvested as of the end of the applicable year; (iii) for awards that are granted and vest in same applicable year, the fair value as of the vesting date; (iv) for awards granted in prior years that vest in the applicable year, the amount equal to the change as of the vesting date (from the end of the prior fiscal year) in fair value; (v) for awards granted in prior years that are determined to fail to meet the applicable vesting conditions during the applicable year, a deduction for the amount equal to the fair value at the end of the prior fiscal year; and (vi) the dollar value of any dividends or other earnings paid on stock or option awards in the applicable year prior to the vesting date that are not otherwise reflected in the fair value of such award or included in any other component of total compensation for the applicable year. The valuation assumptions used to calculate fair values did not materially differ from those disclosed at the time of grant. The amounts deducted or added in calculating the equity award adjustments are as follows:

Year	Year End Fair Value of Equity Awards	Year over Year Change in Fair Value of Outstanding and Unvested Equity Awards	Fair Value as of Vesting Date of Equity Awards Granted and Vested in the Year	Year over Year Change in Fair Value of Equity Awards Granted in Prior Years that Vested in the Year	Fair Value at the End of the Prior Year of Equity Awards that Failed to Meet Vesting Conditions in the Year	Value of Dividends or other Earnings Paid on Stock or Option Awards not Otherwise Reflected in Fair Value or Total Compensation	Total Equity Award Adjustments
2025	\$ 94,676	\$ (83,123)	\$ —	\$ (61,083)	\$ —	\$ 8,363	\$ (41,167)
2024	\$ 99,508	\$ 91,677	\$ —	\$ 22,142	\$ —	\$ 4,996	\$ 218,323
2023	\$ 120,190	\$ 152,915	\$ —	\$ 37,459	\$ —	\$ 4,699	\$ 315,263

- (3) The dollar amounts reported in column (d) represent the average of the amounts reported for our NEOs as a group (excluding Thomas W. Florsheim, Jr.) in the “Total” column of the Summary Compensation Table in each applicable year. The names of each of the NEOs (excluding Thomas W. Florsheim, Jr.) included for purposes of calculating the average amounts in each applicable year are as follows: (i) for 2025, John W. Florsheim and Kevin S. Schiff; (ii) for 2024, John W. Florsheim and Kevin S. Schiff; (iii) for 2023, John W. Florsheim and Brian Flannery.

- (4) The dollar amounts reported in column (c) represent the average amount of “compensation actually paid” to the NEOs as a group (excluding Thomas W. Florsheim, Jr.), as computed in accordance with Item 402(v) of Regulation S-K. The dollar amounts do not reflect the actual average amount of compensation earned by or paid to the NEOs as a group (excluding Thomas W. Florsheim, Jr.) during the applicable year. In accordance with the requirements of Item 402(v) of Regulation S-K, the following adjustments were made to average total compensation for the NEOs as a group (excluding Thomas W. Florsheim, Jr.) for each year to determine the compensation actually paid, using the same methodology described above in Note 2:

Year	Average Reported Summary Compensation Table Total for Non-PEO NEO's	Averaged Reported Fair Value of Equity Awards	Average Equity Award Adjustments <sup>(a)</sup>	Average Compensation Actually Paid to Non-PEO NEOs
2025	\$ 773,121	\$ (71,946)	\$ (33,198)	\$ 667,977

- (a) The amounts deducted or added in calculating the total average equity award adjustments are as follows:

Year	Average Year End Fair Value of Equity Awards	Year over Year Change in Fair Value of Outstanding and Unvested Equity Awards	Average Fair Value as of Vesting Date of Equity Awards Granted and Vested in the Year	Year over Year Change in Fair Value of Equity Awards Granted in Prior Years that Vested in the Year	Average Fair Value at the End of the Prior Year of Equity Awards that Failed to Meet Vesting Conditions in the Year	Average Value of Dividends or other Earnings Paid on Stock or Option Awards not Otherwise Reflected in Fair Value or Total Compensation	Total Average Equity Award Adjustments

- (5) The cumulative total shareholder return reported in column (f) is calculated by dividing the sum of the cumulative amount of dividends for the measurement period, assuming dividend reinvestment, and the difference between the Company’s share price at the end and the beginning of the measurement period by the Company’s share price at the beginning of the measurement period.
- (6) The dollar amounts reported in column (h) represent the amount of net income reflected in our audited financial statements for the applicable year.

*Total Shareholder Return:* Our total shareholder return (“TSR”) (assuming a \$100 investment) was \$140 in 2023, \$183 in 2024, and \$164 in 2025. Our TSR increased from 2023 to 2024 and decreased from 2024 to 2025, trending in the same direction as the compensation actually paid to our PEO and the average compensation actually paid to our Non-PEO NEOs.

*Net Income:* Our net income was \$30.2 million in 2023, \$30.3 million in 2024, and \$23.1 million in 2025. Our net income achieved record levels in 2023 and 2024 and declined in 2025, trending in the same direction as the compensation actually paid to our PEO and the average compensation actually paid to our Non-PEO NEOs.

### Equity Grant and Approval of Timing Practices

We have never granted, and have no plans to grant, equity awards in anticipation of the release of material nonpublic information, and we do not time the release of material nonpublic information based on equity award grant dates or for the purpose of affecting the value of executive compensation. In addition, we do not take material nonpublic information into account when determining the timing and terms of such awards. Although we do not have a formal policy with respect to the timing of our equity award grants, our Compensation Committee has historically granted such awards on a predetermined annual schedule. We also periodically grant off-cycle equity awards in connection with specific circumstances such as new hires or replacement grants. During 2025, no equity awards were granted to covered persons within four business days preceding or one business day after the filing of any Form 10-K, 10-Q or 8-K disclosing material nonpublic information.

## **OTHER INFORMATION**

### **Transactions with Related Persons**

Our written Code of Business Ethics provides that, except with the prior knowledge and consent of the Company, directors and employees are not permitted to have a financial interest in a supplier, competitor, or customer of the Company because of the potential conflicts of interest raised by such transactions. There is a limited exception for ownership of securities of a publicly traded corporation unless the investments are of a size as to have influence or control over the corporation. Our policies include no minimum size for this restriction on potential conflict of interest transactions. Actual or potential conflict of interest transactions or relationships are to be reported to our Chief Financial Officer or another officer of the Company. Waivers or exceptions for executive officers or directors may be granted only in advance and under exceptional circumstances and only by the Board or an appropriate committee. Transactions with related persons are also subject to our disclosure controls and procedures to ensure compliance with applicable laws and requirements of Nasdaq.

### **Method of Proxy Solicitation**

The cost of solicitation of proxies will be borne by the Company. The officers of the Company may solicit proxies from some of the larger shareholders, which solicitation may be made by mail, telephone, or personal contacts; these officers will not receive additional compensation for soliciting such proxies. Request will also be made of brokerage houses and other custodians, nominees and fiduciaries to forward, at the expense of the Company, soliciting material to the beneficial owners of shares held of record by such persons.

### **Delinquent Section 16(a) Reports**

Under the federal securities laws, our directors, executive officers, and any person holding more than 10% of our common stock are required to report their initial ownership of our common stock and any change in that ownership to the SEC. Specific due dates for these reports have been established, and we are required to disclose in this Proxy Statement any failure to timely file such reports by these dates during the last year. We believe that all these filing requirements were satisfied on a timely basis for the year ended December 31, 2025, except for a late Form 4 for Ms. Liebl due to administrative delays, and a late Form 4 for each of Mr. Combs, Ms. Woss, Mr. Sotiros, Mr. Schiff, Mr. Hanley, Mr.

Further, under the Company’s Guidelines and Criteria for Nomination of Director Candidates, shareholder recommendations for directors must be received by the Company no later than December 2, 2026, to be considered by the Nominating and Corporate Governance Committee for nomination and inclusion in next year’s Annual Meeting proxy statement. A proposal submitted outside of the Rule 14a-8 process will be considered untimely, and the Company may use discretionary voting authority for any proposal that may be raised at next year’s Annual Meeting unless the proponent notifies the Company of the proposal not later than February 16, 2027. To comply with the universal proxy rules for the 2027 annual meeting of shareholders, shareholders who intend to solicit proxies in support of director nominees other than the Company’s nominees must comply with the requirements of Rule 14a-19 under the Exchange Act and the advance notice requirements described above.
